When choosing a TV antenna, the decision between indoor and outdoor options is pivotal to unlocking the best, most reliable viewing experience in your home... Watch Broadcast TV on Your Android Phone with the MyGica TV Tuner Our smartphones have replaced many electronic devices. They serve as our computers, our cameras, and our GPS systems. Many even work as an FM radio. But they haven't fully replaced the television. Sure, we can use streaming apps on our phone, but what about picking up free, broadcast TV?... VHF & UHF in the Age of Digital TV The advent of digital over-the-air television has greatly improved the way we enjoy our local broadcast TV. Before DTV, picking up a distant analog TV signal usually involved turning your rabbit ears to different angles until the crackling faded away. Nowadays, its more cut-and-dry you either...
