Ice hockey games are games based on the popular contact team sport played on ice in a rink where two teams of skaters use hockey sticks to shoot a vulcanized rubber puck into their opponent's goal to score points. It is a fast and physical tough sport, with teams consisting of six players each: one goaltender, and five players who skate up and down the ice while trying to take the puck and score a goal against the opposing team. Ice hockey is one of the most popular sports in the United States and Canada. It is also very popular winter sport in some northern european countries like Russia, Sweden, Finland, Czech Republic and Slovakia. In North America, the National Hockey League or NHL is the highest level for men's pro ice hockey and can be watched on tv. Most free online ice hockey games are variations on the official sport where you can practise your shootouts, compete in championships, work on defensive tactics, learn how to make a bodycheck, fight other players and train your penalty shots. Test your hockey skills in and learn how winning the faceoff can be the key to some strategies. Air hockey or table hockey is a game where 2 players play against each other on a air hockey table. The table has little holes in the surface to push out air and create a frictionless surface for the puck to slide smoothly. To play you need an air hockey table, two player held strikers sometimes called a goalie, paddle or mallet and a puck. You will mostly find air hockey tables in any arcade hall but professional air hockey is also played professional in world championships. The Wonderful World Of HockeyGrab your mouthguards you hosers, because it's time to get to grips with one of Canada's most famous exports...hockey! Depending where you're from in the world, you may call it "ice hockey is the descendant of field hockey but it's been unstoppable since it was invented in Canada at the turn of the twentieth century and is now a far more popular sport globally than its older, muddier sibling. Hockey Games of HistoryHockey video games have been released on every gaming platform that has been available to the public. From the Magnavox Odyssey to the Playstation 5, hockey games have always been part of the lineup. The early years saw various hockey games released by a series of unrelated studios. From 1979 to 1991 you could always buy a hockey game somewhere for whatever system you had, but they varied widely in style and quality. Sega had several big hockey releases for the Master System console but none that had any lasting legacy. Nintendo were relatively late to the party. If you were an early purchaser of the NES, you would have been waiting six long years before you could buy a hockey might have had the biggest name in hockey on its cover, but it was released the same year as EA Sports' first NHL Hockey title. These days the NHL Hockey series is such a huge part of the EA Sports landscape that it's difficult to think that it was once a minor series, released for a sport that didn't have many fans at the time. That first in the series was a benchmark title though, really setting the boundaries of what video games could do for hockey. EA had already made a reputation for themselves with the Madden football games, and the new title really benefitted from that publicity boost. Just three years later, EA released NHL '94, which is widely held up as a superb example not just of a sports game but of a video game, not even just of a sports game but of a video game, not even just of a sport game but of a video game. games just feel like the official game of hockey, the sport. The good news is that you can tackle the obstacles to your victory — the other team's players — in a variety of ways. You can rely on your well-honed skill, by practicing your poke checking and slap shots, or you could choose a game that lets your fists do as much talking as your hockey stick. Hockey is famously accepting of in-game fistfights and hockey video games wouldn't make sense if they didn't reflect that, so you can always play an enforcer's game and use that to your advantage. Play as a team, or by yourself. Score like a champion or hustle like a bruiser. It's entirely up to you what kind of hockey player you want to be.
