Eu não consegui velo direito, por conta da distância da arquibancada para o palco, mas só de pensar que o vi cantando na minha frente, e consegui me realizar um sonho, foi perfeito. Estava tudo organizado, som perfeito, tudinho! Sinto saudades de voce BruninhoRio de Janeiro, Brazil@Estádio Nilton SantosViktória Bruno MarsJanuary 1st 2025Bruno thank you for being you and bringing joy to my life never forget that I love you even when I'm not close by I want you to know I love you and I'm so proud of you always Bruno Mars I miss you more and more @Las Vegas, NV@Dolby LiveO talentoso Bruno Mars se fia principalmente na sua capacidade de entreter o público, mas o conjunto falha em apresentar um show coeso, que apresente algum conceito além da pura diversão a que qualquer show se presta. A plateia já estava rendida antes do cantor entrar no palco, colaborando para o sucesso do espetáculo. Ainda com vários momentos de improviso, não foram suficientes para entregar a empolgação digna do aparato da apresentação. O ponto baixo foi a homenagem à Maria Mendonça, no meu ver, despropositada devido ao tempo de morte e o estilo de música e, no entanto, arrebatou a roça. O som do estádio não estava bem equilibrado, sem as frequências médias, os agudos com pouco volume e os graves estourando. Valeu a diversão mas eu gostaria de mais conteúdo e menos fru-fru.Belo Horizonte, Brazil@Estádio MineirãoCatarina TeixeiraNovember 5th 2024Perfect show! I've always dreamed of seeing Bruno Mars live, so I traveled from SP to Curitiba just to see him! He was incredible, although I could barely see him except on the big screen, lol. The audience vibe wasn't really on point, but I still had a great time—sang along to every song and forgot about my phone in a world where people only go to concerts to film and show it off as a status thing. I hope to see him again in the future, with a much warmer crowd and hopefully from a closer spot! Love you Bruninho Márcio
