You can get apps, games and digital content for your device using the Google Play Store app. The Play Store app comes pre-installed on Android devices that support Google Play, and can be downloaded on some Chromebooks. On your device, go to the Apps section. Tap Google Play Store. The app will open and you can search and browse for content to download. If you have issues locating the Play Store app, or opening, loading or downloading content in the app, it could be due to a number of reasons. To troubleshoot these issues, try the following topics: I can't find the Play Store App The Play Store doesn't open or load any content Downloads from the Play Store don't work Post to the Help Community Get answers from community members To sign up for Gmail, create a Google Account. You can use the username and password to sign in to Gmail and other Google products like YouTube, Google Play, and Google Drive. Important: Before you set up a new Gmail account, make sure to sign out of your current Gmail account. Learn how to sign out of Gmail. From your device, go to the Google Account sign in page. Click Create account. In the drop down, select if the account is for you: Personal use Child Work or business To set up your account, follow the steps on the screen. Create an account Tip: To use Gmail for your business, a Google Workspace account might be better for you than a personal Google Account. With Google Workspace, you get increased storage, professional email addresses, and additional features. Learn about Google Workspace pricing and plans. Try Google Workspace The username I want is taken You can't create a Gmail address if the username you requested is: Already being used. Very similar to an existing username. For example, if example@gmail.com already exists, you can't use example@gmail.com. The same as a username that someone used in the past and then deleted. Reserved by Google to prevent spam or abuse. Someone is impersonating me If you believe someone has created a Gmail address to try to impersonate your identity, you can: Unfortunately, Gmail is unable to participate in mediations involving third parties regarding impersonation.
