Last updated18 February 2024This resource is a series of short grammar exercises that focus primarily on the different types of adjectives in French. It includes gap-fill exercises, exercises on translation, finding the opposites, matching two parts of a phrase to make one complete phrase, a word-search grid, as well as two short exercises on nationality and profession. It is basic and is intended for revision.Creative Commons "Sharealike"A bundle is a package of resources grouped together to teach a particular topic, or a series of lessons, in one place.Bundle£5.00Select overall rating(no rating)Your rating is required to reflect your happiness.Write a reviewUpdate existing reviewIt's good to leave some feedback.Something went wrong, please try again later.merci Empty reply does not make any sense for the end userSuperbe!
