

Last updated3 May 2018Just a bit of fun - this could be used when teaching French on a themed day such as World Book Day or maybe a Harry Potter themed event is taking place at your school. It is a short (5 question) quiz that shows how the titles of Harry Potter books have been translated, and the characters, so it could be used as a starter. would probably use it to elicit a brief discussion about whether peoples names should be translated - or not - in this case, they often need translations of the Harry Potter books, many characters have different names e.g Snape = Rogue, but in the German translations, they are not altered - can give older children an idea about the subtleties of translating!**Tip: **I have used a special Harry Potter font (which I love!) to make it more relatable. This can be easily downloaded for free with a quick internet search. Correct Answer Explanation In the Harry Potter series, Lavender Brown is the one who affectionately calls Ron Weasley "Won-Won." This nickname is given to him due to Lavender's infatuation with Ron. Hermione Granger, Harry Potter, Prof. McGonagall, and Padma Patil do not call Ron by this nickname, making Lavender Brown the correct Answer A. To find Voldemort's Horcruxes Explanation After leaving the school, Dumbledore goes on a mission to find Voldemort's Horcruxes. This task is crucial in order to weaken and defeat Voldemort, as the Horcruxes are objects in which he has hidden pieces of his soul. By locating and destroying these Horcruxes are objects in which he has hidden pieces of his soul. Explanation Severus Snape killed Dumbledore. This revelation occurs in J.K. Rowling's Harry Potter series, specifically in the sixth book, "Harry Potter and the Half-Blood Prince." Snape, who was a double agent working for both Dumbledore and Voldemort, ultimately fulfills his role as a Death Eater and kills Dumbledore upon his request. This act is a crucial turning point in the series and has significant consequences for the remaining books. Correct Answer is Scrimegour because the question asks for the new Minister of Magic, implying that there has been a change in leadership. Fudge is not the new Minister of Magic, implying that there has been a change in leadership. Minister of Magic, and Clearwater and Black are not mentioned as potential candidates. Therefore, Scrimegour is the only viable option as the new Minister of Magic. Correct Answer A. Malfoy; he repaired the Vanishing Cabinet in the Room of Requirement. This allowed the Death Eaters to enter Hogwarts on the night Dumbledore died. Correct Answer Explanation Prof. Slughorn teaches Potions. Explanation After the Gryffindor team wins the Quidditch Cup, Harry kisses Ginny. This suggests that Harry has romantic feelings for Ginny and is celebrating their victory together.
