Stages[] Hell Mode[] To be added. Stages[] 1-1 Side Path by the Inn 1-2 Deep in the Forest 1-3 Ancient Ruins Byway 1-4 Someone's Hideout [] The Guardian Tales game is not just about character development and battle. As you progress through the story, you can solve puzzles to earn purple coins and star pieces. It's not impossible to get all of them if you go around meticulously, but to save your time, I'm going to guide you on where and how to get them. World 1 Kanterbury Forest From the first world, we face a challenge, but we cannot make the progress 100%. This is because one mission can be completed during the fifth world. Unfortunately, let's put off the costume acquisition and proceed from the next world and return. 4 1-1 Inn With the first stage, you can get used to the controls for the game. You can destroy the bush or proceed with a device using a torch. It is not difficult to get purple coins and star pieces are obtained, so refer to the image above for detailed location. Even if you don't get all of them when you first proceed, don't worry as the existing progress, and "1-1 Kanterbury Forest Passage 1" to proceed to 1-2, do not require a guide. • 1-2 2 Forest Enterance It is a stage with a total of 38 purple coins. Let's work hard to acquire it without missing it. If you follow the butterfly appears in the middle, you can go to "1-6 Hidden Flower Garden" through the hidden map. The quest Lazy Fairy received here can only be completed by proceeding to the 5 world Shen City, so just accept the quest and continue the story. There is "1-13 Popular Slime Cream" as a sub-stage that can be progressed. Slime cream, which is said to be good for skin care, is so popular that everyone is trying to defeat slime. You find only one slime, but someone comes and tries to cut it. But you defeat the slime faster and you get a cream and rub it on your face and become a slime. However, the slimes welcome you and open the way to get a treasure chest from the locked place. I -3 In the Forest I is used to push a large block to press a switch or to obstruct the goblin's course. The same blocks continue to appear afterwards, so let's use them well. There is a new stage, "1-7 Guardian's Forest", which opens upon receiving the quest. You'll have a little disagreement with Elf, but if you defeat the poachers and save the forest, you can clear the misunderstanding with Elf and complete the quest. In the case of "1-2 Kanterbury Forest Passage 2", which is the connecting stage to the next stage, a guide is not required. I-4 Forest Border This stage is also wide and has a lot to do. The door opens when you press the switch, but it closes before arrival and you cannot pass through this place. Also, a girl named Lana asks for a running match, but she can't win yet. Skip and go further to defeat the goblin, and the white wolf will ask for Pegasus sneakers. If you run with these shoes, you can quickly run through places you could not pass, and when you come outside the connection, a red hat drops the map. 4 1-8 Dangerous Forest 4 In this stage, there is a hidden passages like this when you proceed later, so be sure to check them carefully. In the next stage, "1-9 Hood's Hideout", you can see who the red hat is. It is interesting because it is a little different from the original. It is a little different from the original. is not difficult, but if you need help, please refer to the image above. In the sub-stage "1-15 Forest's Treasure", you must pass through the guardian ghosts so that they do not enter the view. The same method of progression will come out afterwards, so let's proceed with practice. Another sub-stage "1-11 Suspicious Goblin Ritual" can be easily cleared. There is nothing difficult to proceed with this stage. The Lost Girl quest can be completed by taking the following girl to a place lit by sunlight. After her identity is revealed and battles, you can get a companion. In the sub-stage "1-10 Fallen Guardians", you can easily get 3 treasure chests, so you do not need a guide. 1-7 Champion's Sword There is a maze forest. If you go the wrong way, you will return to the starting point. You can pass by following the handkerchief that fell on the floor. You can go to a new sub-stage. You can get a video

recording from "1-16 Unknown Dungeon". Continue through the story to complete World 1 Kanterbury Forest. It seems to be a really difficult first world compared to other games.
